Week 1 – Principal Update

Welcome to Term 3!

An official welcome back to everyone after our semester 1 break. I know that everyone needed some rest and relaxation after a very busy term two. While all the students and teachers were away, a few things have been happening around the school grounds. Mark and Adrian have spent a large amount of time tidying up some of the gardens and the brand new soccer pit has been installed.

Celebrating 100 Days of Foundation

Today, our not so little foundation students celebrated their 100th day of Big School! We can't believe how fast the time has gone and how much our little humans have grown! We are so proud of the growth we have seen in our students, and we are excited about how bright their futures are! I have no doubt we have potential Principals, Sports Stars, or Doctors!

Make sure you check out the Facebook page to see all the festivities conducted for such an important day for our Foundies!

On behalf of our community, I would like to acknowledge the hard work from Ms Glaves, Mrs Hogan and Mrs Davison for their unwavering support of our Foundation students!

Somerville Rise Primary School

Worwong Ave, Somerville, Victoria

Friday 25th July 2025, Edition 22

Somie Rise Story Time

Our very special Somie Rise Story Time is back for Term 3 and Mrs Harry, Ms Glaves and Mrs Hogan are very excited about the exciting themes for Term 3.

If you know anyone that is interested, please invite them down to attend, if you're lucky you may even get to hear Mrs Harry sing 😊

Story Time runs every Friday of Term 3 in Room 8. See you there!

2026 Enrolments – Cut off Dates

If you have any children starting foundation in 2026 or know anyone in our school zone, we would love to have them come and tour our school and see firsthand, the amazing work that is happening! Numbers are filling fast, and places may be limited to those who are not in our school zone. A reminder that enrolment application forms for Foundation 2026 are due in by Friday 25th July 2025.

If you know of any new families that will be enrolling for next year, could we ask that you please remind them of the due date.

NAPLAN Results

2025 NAPLAN results have been sent home with students this week.

Student achievement in NAPLAN is reported using proficiency standards for each assessment area at each year level. The standards are set at a challenging but reasonable expectation of what students know and can do at the time of testing.

There are 4 proficiency levels:

-  **Exceeding:** the student's result exceeds expectations at the time of testing.
-  **Strong:** the student's result meets challenging but reasonable expectations at the time of testing.
-  **Developing:** the student's result indicates that they are working towards expectations at the time of testing.
-  **Needs additional support:** the student's result indicates that they are not achieving the learning outcomes that are expected at the time of testing. They are likely to need additional support to progress satisfactorily.

The proficiency level descriptions below describe some of the skills and understandings students can generally demonstrate at the time of testing. The aim of the descriptions is not to describe each individual student, but to provide a fair summary of typical skills and understandings for a student at the level.

For more information please download the [PDF version \(373 KB\)](#).

Keep living the dream!

Matt Jackson
Principal
