RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
Provide a risk title and short description.	Describe the causes of the child safety risk.	Describe the <b>consequences</b> for children if the child safety risk happens	Describe the existing <b>child safety and wellbeing controls</b> you have in place to mitigate the child safety risk  <i>Sample content is provided below</i>	Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?	If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?	When will this be done?
<b>Child Safe Standard 1 – Aboriginal cultural safety</b>						
<b>Risk Title:</b> Culturally safe environments  <b>Description:</b> There is a risk that the school fails to establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and students are respected and valued  <b>Risk type:</b> Situational, Organisational	 Racism, discrimination and bullying not adequately managed and addressed  Ignorance/lack of awareness  Curriculum that doesn't include Aboriginal Australians  An unwelcoming environment for Aboriginal students  Policy development and review is not consultative	 Aboriginal students are less likely to trust school staff which may result in them being less likely to report abuse by adults or peers, and make them more vulnerable to harm  Aboriginal students do not feel welcome, safe, respected or valued for their diverse and unique identities which may result in them being less likely to report abuse by adults or peers and make them more vulnerable to harm  Physical and psychological harm as a result of child abuse	 Our Child Safety and Wellbeing Policy outlines the controls in place to establish a culturally safe environment and is implemented  Controls to address racism, discrimination and bullying are outlined in the Bullying Prevention Policy and the Student Wellbeing and Engagement Policy.	Yes	 Identify other actions your school may take using the guidance available at <a href="#">PROTECT Child Safe Standard 1</a> (Principal)	Completed
<b>Child Safe Standard 2 – School leadership, governance and culture</b>						
<b>Risk Title:</b> Leadership, governance and culture  <b>Description:</b> There is a risk that child safety and wellbeing is not embedded in the school's leadership, governance and culture  <b>Risk type:</b> Organisational, Propensity	 Child safety is not prioritised  Decision-making power concentrated in one individual  Unclear accountabilities  Staff and volunteers are unaware of the school's expectations relating to their conduct and role in supporting child safety and wellbeing  Culture of secret keeping  Poor management of conflicts of interest  Lack of leadership on child safety  Poor understanding of the foreseeable risks relating to child abuse  Poor understanding of recordkeeping and information management  Poor child safety messaging	 Increased risk of child abuse occurring, remaining undetected and not being responded to appropriately because the school does not have a culture of child safety and reporting of child safety incidents or concerns  Increased risk of child abuse occurring, remaining undetected and not being responded to appropriately because staff and volunteer roles and responsibilities are not clear  Poor practices and understanding of information sharing obligations may result in staff or volunteers not sharing important information to reduce the risk of child abuse or conversely, sharing sensitive information inappropriately contributing to further harm.  Poor records and record-keeping practice can contribute to delays or failures to identify and respond to child safety risks and incidents and can obstruct survivors seeking information about their time at our school. It can also compromise the school's ability to monitor for systemic issues that required changes to policy, procedure or practice.  Physical and psychological harm as a result of child abuse	 Our Child Safety and Wellbeing Policy outlines the controls in place to ensure a child safe culture is embedded across the school and is implemented  Our Child Safety Code of Conduct is adopted and actively enforced by school leadership. Inconsistent staff, contractor or volunteer conduct is swiftly addressed.  Our Child Safety and Wellbeing Policy and Code of Conduct are publicly available and promoted in the school community  This risk register is reviewed annually and after any significant child safety incident or concern  Our Volunteers Policy supports volunteers to understand their obligations on information sharing and recordkeeping  PROTECT posters and the Four Critical Actions are displayed around the school  Records management obligations are met through adherence to the <a href="#">Records Management - School Records Policy</a> and all staff and relevant volunteers understand their obligations on information sharing and record keeping through induction, training and support from leadership. <b>Child Safe Standard 3 – Children are safe, informed and actively participate</b>						
<b>Risk Title:</b> Student empowerment  <b>Description:</b> There is a risk that students will not be empowered about their rights, participate in decisions affecting them or be taken seriously  <b>Risk type:</b> Vulnerability	 Students don't know how to make a complaint or raise a concern or don't feel confident that they will be listened to  Students don't understand their rights  Student input in decision making is not supported or valued  Student contributions or concerns are not taken seriously  Students are not offered sexual abuse prevention education  Students are coerced or silenced by adults at the school  Lack of friendship or peer support	 Abuse is more likely to happen if students do not feel supported to participate in decisions that affect them and do not feel like they will be listened to.  Failure to empower students with information about their rights, child safety risks, and sexual abuse prevention will increase the risk of abuse going unidentified and unspoken  If students do not feel confident or empowered to raise a concern, they will be unwilling to report abuse  Lack of friendship or peer support may increase vulnerability to abuse  Lack of friendship or peer support increases the risk that the student will not feel confident to discuss concerns with their peers, making it more likely that abuse will go unidentified and unspoken  Physical and psychological harm as a result of child abuse	 Our Child Safety and Wellbeing Policy outlines the controls in place to support child and student empowerment and is implemented  Complaints Policy details how students can raise complaints and concerns and is promoted widely to parents and students  Student Wellbeing and Engagement Policy outlines the controls in place to ensure student wellbeing is supported and prioritised  Students are provided with age-appropriate sexual abuse prevention programs and relevant related information through Resilience, Rights and Respectful Relationships teaching and learning materials  Students are educated about their rights through Resilience, Rights and Respectful Relationships teaching and learning materials: SWPBS, Berry Street Education Model, School Chaplaincy program.  Friendship and peer support are promoted through Resilience, Rights and Respectful Relationships teaching and learning materials: SWPBS, Berry Street Education Model, School Chaplaincy program. <b>Child Safe Standard 4 – Family engagement</b>						
<b>Risk Title:</b> Families and community involvement  <b>Description:</b> There is a risk that families and communities are not informed, and involved in promoting child safety and wellbeing  <b>Risk type:</b> Organisational	 Unwelcoming staff  Lack of appreciation of the value of community consultation and engagement  The school does not offer information to families and communities or avenues to contribute to policies and decisions relating to child safety and wellbeing  Lack of staff training, culture or willingness to engage families and communities	 Child safety and wellbeing practices without input from families may result in practices that do not cover all the diverse needs of students, resulting in a risk that students do not feel safe or able to actively participate in school life (see Child Safe Standard 1 and 3)  Families and communities not engaged in child safety at the school are less likely to be able to support the school to reduce risk by keeping an eye out for unsafe behaviours and raising concerns.  Families cannot help students identify abuse  Families do not support students who want to make a complaint  If families lack awareness about child safety including risks of child abuse, children may be more vulnerable to being groomed by perpetrators seeking to obtain their trust.  Physical and psychological harm as a result of child abuse	 Our Child Safety and Wellbeing Policy outlines the controls in place to engage families and is implemented  All child safety and wellbeing policies and procedures are publicly available and promoted in the school community  Families and the school community are invited to have a say in the development and review of child safety and wellbeing policies, procedures and practices through our school website and newsletters and at school council meetings	Yes	 Identify other actions your school may take using the guidance available at <a href="#">PROTECT Child Safe Standard 4</a> (Principal)  Future policies can be sent out to the school community for feedback prior to endorsing at school council meetings. <b>Child Safe Standard 5 – Equity and diverse needs</b>						
<b>Risk Title:</b> Diversity and equity  <b>Description:</b> There is a risk that equity is not effectively upheld, and diverse needs are not respected in policy and practice  <b>Risk type:</b> Vulnerability	 Diverse cohorts have not been identified for targeted support (such as students with disability, students who identify as lesbian, gay, bisexual, transgender, intersex and queer (LGBTIQ+), students in out of home care, international students and students who are culturally and linguistically diverse)  Diverse cohorts not supported adequately  Diverse cohorts feel unwelcome  Lack of staff training on diversity and supporting and responding to vulnerable students  Lack of respectful culture  Incidents of discrimination or humiliation are not effectively addressed and managed	 Diverse cohorts who do not feel safe or who are not adequately supported for their diverse and specific needs are more at risk of abuse and harm and will be less able or willing to report concerns.  Experiencing discrimination can increase a child's vulnerability to abuse and harm and can also mean they are less likely to ask for help or speak up if they have a concern  Physical and psychological harm as a result of child abuse	 Our Child Safety and Wellbeing Policy outlines the controls in place to support equity and diverse needs and is implemented  Student Wellbeing and Engagement Policy outlines how the school pays particular attention to the needs of students with disability, students from culturally and linguistically diverse backgrounds, students who are unable to live at home, international students, and lesbian, gay, bisexual, transgender, intersex and queer (LGBTIQ+) students  Child safety information, support and complaints processes are culturally safe, accessible and easy to understand  Bullying Prevention Policy  Inclusion and Diversity Policy  Implement:  <a href="#">Resilience, Rights and Respectful Relationships and Building Respectful Relationships teaching and learning materials</a>  <a href="#">Respectful Relationships whole school approach</a>	Yes	 Identify other actions your school may take using the guidance available at <a href="#">PROTECT Child Safe Standard 5</a> (Principal)	Ongoing
<b>Child Safe Standard 6 – Suitable staff and volunteers</b>						
<b>Risk Title:</b> Suitable staff (including contractors engaged by the school in child-related work)  <b>Description:</b> There is a risk that staff are not suitable to work with children or effectively supported to uphold child safety and wellbeing values in practice  <b>Risk type:</b> Organisational, Propensity	 Poor recruitment and pre-employment screening processes  Provision of false information during recruitment  Poor management of conflicts of interest  Insufficient induction on commencement of working at school  Inappropriate behaviour by other adults is not called out due to lack of empowerment or awareness of behaviours of concern  Insufficient promotion of the school's commitment to child safety  Lack of child safety culture  Insufficient supervision  Performance management does not focus on or address concerns relating to child safety and wellbeing	 Insufficient promotion of the school's commitment to child safety during recruitment processes may fail to deter potential predators from seeking employment  History & behaviours of concern relating to suitability to work with children are not identified resulting in increased risk of child abuse  Conflicts of interests in recruiting staff may increase the risk of other staff not reporting concerns relating to staff conduct, and where concerns are reported or identified, increased risk of them not being responded to in an objective manner with the focus on child safety and wellbeing.  Insufficient induction results in increased risk that staff fail to identify child safety risks and signs of harm and are unable to respond appropriately when they do identify risks of harm or when a complaint or concerns is disclosed to them.  Insufficient supervision and performance management results in increased risk of child abuse and harm to students  Staff do not understand their role and responsibilities in promoting and supporting child safety resulting in increased risk of harm  Physical and psychological harm as a result of child abuse	 Our Child Safety and Wellbeing Policy outlines the controls in place:  for child safe recruitment and screening practices for staff.  to ensure staff are provided with an appropriate induction in the school's child safety policies and practices.  to ensure ongoing supervision and management of staff is focused on child safety and wellbeing  All actions and strategies outlined in our Child Safety and Wellbeing Policy are implemented	Yes	 Identify other actions your school may take using the guidance available at <a href="#">PROTECT Child Safe Standard 6</a> (Principal)	Completed

<b>Child Safe Standard 10 – Review of child safety practices</b>						
<b>Risk Title:</b> Review and improvement  <b>Description:</b> There is a risk that the implementation of the Child Safe Standards is not regularly reviewed and improved  <b>Risk type:</b> Organisational	 Failure to regularly review child safety policies, procedures and practices (every 2 years) or following any significant child safety incident  Failure to use analysis of complaints, concerns and safety incidents to inform possible improvements to child safety policies, procedures and practices  Failure to inform families and communities of the outcome of reviews of child safety policies, procedures and practices	 Child safety policy, procedures and practices may become out of date with any new laws or guidance on good practice, compromising the school's ability to protect students from child abuse and to respond appropriately to complaints and concerns.  Child safety policy, procedures and practices may no longer meet the needs of the local school community compromising the school's ability to protect students from child abuse and to respond appropriately to complaints and concerns.  Child safety policy, procedures and practices are not improved as a result of analysis of past complaints, concerns and safety incidents, reducing the school's ability to protect students from child abuse and to respond appropriately to complaints and concerns.  Physical and psychological harm as a result of child abuse	 The school ensures child safety policies, procedures and practices are regularly reviewed and improved:  A register of the school's policies relating to the child safe standards, including approvers and review cycles is used to support staff to maintain and update our policies  A working group (led by the child safety leadership team) is established to review child safety policies and procedures  We determine the causes of child safety incidents and monitor for repeat issues or systemic failures, updating any child safety policy, procedure or practice where gaps or improvements are identified  We have a log of complaints and concerns to allow us to monitor areas for improvement in our child safety policies, procedures and practices.
