Hello [Name], from [School and Campus Name]

Welcome to the Attitudes to School Survey

This survey helps us find out how YOU feel about your school.

Your answers will be kept safe by our team at ORIMA Research and the Department of Education and Training. No one except you will know what answers you gave. Reports about the survey results that your teachers and school may see will never identify you.

The survey can help your school become better. The Department of Education and Training will use the results for research to improve outcomes for students.

This is not a test and there are no right or wrong answers. If you don't know what a question means, please ask your teacher or parent to help you.

You will be asked about your thoughts and feelings in relation to your school, family, friends, health (including mental health) and wellbeing, and bullying.
